According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information is 0579-0054. The time required to complete this information collection is estimated to average 0.17 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

FORM APPROVED OMB NO. 0579-0054

No permit can be issued to move li	ve plant pests or noxi	ous weeds un	til an applicat	ion is received (7 (

STANDARD SAFEGUARDS OF PERMIT

- 1. All pests must be shipped in sturdy, escape-proof containers.
- 2. Upon receipt of pests, all packing material media, substrate, soil and shipping containers shall be sterilized or destroyed immediately after removing pests.
- Pests shall be kept only within the laboratory or designated area at the permittee's address.
- 4. No living pests kept under this permit shall be removed from confined area except by prior approval from State and Federal regulatory officials.
- Without prior notice and during reasonable hours, authorized PPQ and State regulatory officials shall be allowed to inspect the conditions under which the pests are kept.
- All pests kept under this permit shall be destroyed at the completion of the intended use, and not later than the expiration date, unless an extension is granted by this issuing office.
- All necessary precautions must be taken to prevent escape of pests. In the event of an excapte, notify this office.
